San Dieguito Union High School District makes student directory information available in accordance with state and federal laws. This means that each student's name, birthdate, birthplace, address, telephone number, major course of study, participation in activities, dates of attendance, awards and previous school attendance may be released in accordance with board policy. In addition, height and weight of athletes may be made available. Appropriate directory information may be provided to any agency or person except private, profit-making organizations. Names and addresses of seniors or terminating students may be given to public or private schools, colleges, employers and military recruiters. Upon written request from the parent of a student age 17 or younger, the District will withhold directory information about the student. Make your selections below or submit a request in writing. Request must be submitted within 30 calendar days of the receipt of this information. Please check "YES" in the "Release Directory Information" category if you wish to release directory information for school related purposes. This includes parent-teacher organizations, school foundations, school sponsored scholarship organizations, and yearbook staff.
