Wave Weekly

Wave Families,

We still had over 150 tardies this week! Please remind our Waves of the importance of punctuality. Our new tardy policy started this week and students were assigned lunch detention for being tardy.

# Counseling

Our website is updated weekly, visit for further information & resources

- **SECOND SEMESTER:** In August, students were scheduled in their year-long schedule, including electives, based on course requests made last spring. The only second-semester schedule change requests that will be addressed, if space is available, are English/Math level changes. If a level change is a consideration for your student, please connect with their current teacher and if agreed on, students/parents can submit the request to the counseling office between now and Friday, December 9, 2022.
- D/F grade notifications will be posted in Aeries on Monday under the Grades tab in student and parent portals. As a reminder, before and after school help is available through the end of the semester for all subject areas.

## A Message from our Assistant Principal

Whether you are going on a trip, hanging around town, spending time with family or friends or whatever else, please be safe and remember to be thankful for all that you have. You are all amazing and I am thankful for you! Have a happy and restful week off, Waves!

Bike Registrations - We have a large group of our students who have received their E-Bike registrations. There are still quite a few of you who have not completed the course or picked up your bike tag. Remember that this is mandatory! Please complete this before bringing your E-Bike back on campus.

## DRAMA NIGHT! AT OAK CREST!
